EST RUSKIN 1909
Community High School

Dear Parents/Carers,

We are excited to launch our extra-curricular clubs for the autumn term and are delighted to offer a wide range of opportunities for our students to get involved in. All clubs are free to attend and will take place either during lunchtime or after school.

We would like to encourage all students to take advantage of the clubs on offer. Getting involved in extra-curricular activities can provide many benefits, including developing new skills, building confidence and self-esteem, making new friends and discovering new interests and talents. Clubs also provide students with the opportunity to work collaboratively, develop their independence and enjoy spending time with others outside of the classroom.

Most importantly, extra-curricular clubs are a great way for students to have fun, try something new and become an active part of our school community.

To recognise and reward participation, students will be awarded an extra-curricular point for every club session they attend.

Attached is our extra-curricular timetable for your reference. We hope your child will choose to attend some of the clubs available and enjoy the many opportunities on offer at Ruskin.

Thank you for your continued support in encouraging your child to participate in school life.

Yours sincerely,

Miss C John & Miss R Davies

Curriculum Leaders for Performing Arts & PE
