@RuskinHigh
 Ruskin Community High School

Dear Parent/Carer

As a school, we have been extremely impressed with the engagement of our students on Microsoft Teams since 5th January. It has been a delight to visit virtual classrooms and hear students working extremely well and contributing maturely to their lessons.

From Tuesday 2nd February, class teachers will be able to switch their videos on in lessons, if they wish to do so, when they are working in school. Staff will be using a Ruskin background and all lessons will continue to be recorded. We are trialling this over the next two weeks and would welcome feedback from students and parents. We are hoping that this will improve the engagement of our students even more, with the ability to see a familiar face on the screen. Students will still not be allowed to have their videos on, and this will remain disabled.

Please do not hesitate to contact the school if your child is having trouble accessing the Microsoft Teams lessons.

Kind regards

C Harrison
