Dear Parent/Person with Parental Responsibility,

### **Immunisations**

The School Aged Immunisations Team have recently visited your child's school to deliver the school aged immunisations: Tetanus, Diphtheria & Polio. Meningitis ACWY and outstanding MMR.

The team will be holding some community clinics during the **Easter Holidays**. If your child missed their immunisations in school **or** you didn't fill in a consent form on time and you still wish for your child to have their vaccinations, please contact the School Aged Immunisations Team on: [wcnt.immunisation@nhs.net](mailto:wcnt.immunisation@nhs.net) to book an appointment at a **community clinic during the Easter Holidays**.

**Please ensure you include your child's name, date of birth and the school they attend in your email. Please also include your contact phone number as we may need to call you to obtain consent. We can only see children in clinic with a completed consent form.**

Further information for parents and carers about the Diphtheria, Tetanus, Polio and Meningitis ACWY vaccinations can be found on the following NHS website:
