Dear Parent/Carer(s)

Thanks for your support this half-term. It seems to have passed by quickly.

It has been a busy 7 weeks and routines and procedures have been established to set the tone for the rest of the year.

A number of trips and visits have taken place along with a variety of extra-curricular activities and more academic opportunities have been offered for students. We have seen the introduction of our new Scholars programme focussing on extending learning and linking to University life in the future.

We received our validated results from the Summer examinations and we are all extremely proud of the achievements. Students and staff worked very hard and the impact and success is evident. We will share more information once the performance tables have been published and we have analysed further.

I hope you have all had a chance to look at the English, Design & Technology and Science Learning in the Limelight articles sent out by Mrs Robson recently. It's fantastic to see learning and student progress being shared with Parents and Carers.

It is another busy half-term after the break packed with different opportunities for specific year groups.

Just a reminder that it is INSET day on Monday 30th October 2023 and students will return to school on Tuesday 31st October 2023. If there is anything you would like to discuss please call 01270 560514 or email: enquiries@ruskin.cheshire.sch.uk.

Yours sincerely
