

We visited your child's school today to administer the Diphtheria Tetanus Polio and the Meningitis ACWY vaccinations.

You should receive an e mail from our e consent provider later today. If you do not receive an e mail this means that we do not have a consent for your child.

If you have not yet completed a consent form and still wish to do so, please use the link and school code below. We will be re visiting school again during the summer term to vaccinate any child for whom we have a valid consent form. This includes any child who was absent or unwell today.

If you wish your child to be vaccinated sooner than this, please complete and return the booking form below by e mail to wcnt.immunisation@nhs.net and we can then generate a clinic appointment.
