# Hello

## Is your school parent-friendly?

We have partnered with Ruskin Community High School to help them become parent-friendly. We want them to be excellent at communication and give you opportunities to help your child do well at school.

We have enjoyed working with the school's senior team. We would love to hear from you.

It is important that we hear from all parents if we are going to support your school in this journey. Every voice matters, and we would love to hear from all parents or anyone with parental responsibility.

We are meeting with the school in May. **The deadline for completion of the survey is 11<sup>th</sup> May.**

The survey will take 10 minutes. It includes some quiz questions that help build your personalised parenting magazine. This is a bit of fun and ensures you get something out of the process. These answers are not shared with the school.

Your school won't be able to identify you or your opinions.

By answering, you will also be entered into a **free prize draw for a £200 away-day voucher**, so you can enjoy a trip as a family. Every time the survey is fully completed, an entry is created.

You can access the survey by scanning this QR code:

We hope you enjoy the light reading in your personalised magazine. I would like to thank you for taking the time to help me support your school to power the potential of parent participation in a child's education.

Yours faithfully,
